

Michael McKay - Piano

Originally from Nova Scotia, pianist Michael McKay has appeared with orchestras in Nova Scotia and New Brunswick and in recitals in Nova Scotia, Toronto, and Winnipeg. He has a Bachelor of Music degree from Acadia University, a Master of Music degree from the University of Toronto, and placed third in the piano division at the 1993 National Music Festival in Victoria.

He also worked collaboratively with various concert artists—including Janet Perry and Measha Brueggergosman—and as Music Director with various theatre companies in Toronto and Winnipeg.

Over the past fifteen years, he has devoted himself to experimenting with the piano recital: pairing programmatic suites with story-telling, and creating a hybrid genre that is engaging and educational.
